

Tutor programme

AY 2627

Register and read

Through the Register and Read programme, students develop curiosity, concentration and perseverance, while exploring different perspectives and building empathy through reading.

Worship works: Collective worship

Worship Works invites students to explore Christian teachings and reflect on our school vision, 'Life in all its fullness', considering how faith and values can shape their lives, relationships and contribution to the community.

Votes for schools

Votes for Schools enables students to explore current issues, consider different perspectives and express their views through a democratic vote, developing informed opinions and respect for others.

The Blue Coat Broadcast, and careers

The Blue Coat Broadcast celebrates our school community, shares student and staff voices and highlights opportunities to get involved, helping students feel recognised, connected and included in school life. Once a fortnight, our careers broadcast helps students explore career pathways, discover work experience opportunities and consider their next steps.

House assembly

House assemblies explore Christian teachings and our school vision, 'Life in all its fullness', encouraging students to reflect on their values, strengthen their sense of belonging and contribute positively to their house and school community.
