

Dear students and parents,

Thank you for your continuous support to the MFL department.

Language is fun and everywhere! It is a great opportunity for all of us to learn about it!

The languages department at Blue Coat School is committed to continue working on key vocabulary through revision exercises that are set every 2 weeks. Students will receive booklets or sets of tasks with different levels of difficulty and they have to choose what they want to do. The challenge is to do it ALL. We have listed here below some material that might be useful to you:

**1- MFL necessary resources**

- Paper copy of a bilingual dictionary (if available) or use online dictionary for German and French: [www.linguee.com](http://www.linguee.com) (avoid using google translation as it can have major grammar errors)

All students have received their login details if you have lost it please contact your teacher by email.

Our advice for students is:

- Students complete which ever work they can do from a booklet or set of exercises
- Year 7 and Year 8 students work preferably in their exercise books
- Students work over a two week time period
- Teachers will provide a recap by sending you a word document (edit/send) the last week before Easter
- Students or parents contact the teacher once a week if they are struggling with the work and the teacher will provide an alternative by email

Merci et Bon Travail!

Danke und Gute Arbeit!

Thank you and Good Work!
