Coventry Blue Coat Church of England School and Music College

Educational Visit Subsidy School Policy & Application Form

Here at Blue Coat School we provide a wide range of trips and educational visits. As part of our commitment to the educational achievement of our pupil premium students we can offer a partial subsidy to help cover the costs. We are a school which offers a high number of trips and it must be understood that the level of funding available is limited. This subsidy is only available on a case by case basis and can only be considered once this application form has been completed and returned. Please note that applications can only be made if the trip has been identified as one which is suitable for the subsidy by the schools management team and can be refused if a sufficient case is not present.
