What is special consideration?

Special consideration is a post-examination adjustment to a candidate's mark or grade to reflect temporary illness, temporary injury or some other event outside of the candidate's control at the time of the assessment, which has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can only seek to go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in examinations. It cannot remove the difficulty faced by the candidate. There will be situations where candidates should not be entered for an examination. Only minor adjustments can be made to the mark awarded because to do more than this would jeopardize the standard of the examination. [JCQ [A guide to the special consideration process](#) section 1]

This document is further referred to in this policy as [SC](#)

Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that Blue Coat Church of England School will... submit any applications for special consideration where candidates meet the published criteria. [JCQ [General regulations for approved centres](#) section 5.9]

Eligibility for special consideration

Roles and responsibilities

Head of centre

- Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication [SC](#)
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams officer

Exams officer

- Understands the criteria as detailed in [SC](#) to determine where candidates will/will not be eligible for special consideration
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies

Teaching staff and/or SENDCo

- Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration.

Candidates (or parents/carers)

- Provide any medical or other evidence that may be required to determine eligibility for special consideration

Applying for special consideration

Where eligible, special consideration will be applied for in a specific exam series where candidates... have been fully prepared and have covered the whole course but performance in the examination, or in the production of controlled assessment, coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control. [\[SC 2\]](#)

If a candidate is absent for acceptable reasons, and the centre can support this, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. If there is an opportunity to re-enter the candidate in the next available exam series, the centre will make the entry and special consideration will not be applied for.

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in [SC 5](#) and applied for where eligible. This might include, for example:

- other certification
- coursework/non-examination assessment extensions
- shortfall in work (coursework/non-examination assessment)
- lost or damaged work (non-examination assessment components)
- candidates taking an incorrect or defective question paper
- candidates undertaking the wrong controlled assessment or non-examination assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow [SC 7](#) and awarding body guidance to determine if, when and how an adjustment can be applied for.

- Ensures applications will be processed as required by the awarding bodies
- Keeps evidence to support all applications on file until after the publication of results and provides the signed evidence provided by a member of the senior leadership to support an application where this may be requested by an awarding body

Evidence to support applications will be kept on file until after the publication of results.

Timetabled written exams

- For GCE and GCSE qualifications, applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration
- The processes for submitting a single application to cover all exams *where a candidate is present but disadvantaged* and a separate application for each day *where a candidate is absent from an examination for an acceptable reason* detailed in [SC 6](#) will be followed

- The paper [form 10 Application for special consideration](#) will only be completed and submitted to the awarding body where the online system does not accept applications for a particular qualification
- For groups of candidates, applications will be made online where the awarding body's secure system accepts group applications or form 10 will be completed

Internally assessed work

- Where appropriate, applications will be made online where the awarding body's secure system accepts them or form 10 will be completed and submitted to the awarding body
- Where a short extension to a deadline is being requested, the awarding body will be contacted directly
- Where an application relates to a shortfall in work, this will be submitted online or by completing form 10, dependent on the awarding body

Post assessment adjustments – vocational qualifications

- Where relevant and eligible, form 10 or [form VQ/SC Application for special consideration Vocational qualifications](#) will be completed and submitted to the awarding body

Private candidates

- Any private candidate entered by the centre must liaise with the exams officer (not the awarding body) regarding any application for special consideration

Late applications

If, after the publication of results for a particular exam series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a member of the senior leadership team is able to produce evidence to support a late application.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
