Introduction

At Blue Coat Church of England School, our vision is "Living life in all its fullness". We exist to equip our students to 'live life in all its fullness' by providing excellent education, which is distinctively Christian and inclusive of all. At the heart of this education are the values of Care, Hard Work, Respect, Integrity and Servanthood, working Together for the good of all individuals, the school and wider communities.

The following terms shall be interpreted as indicated below when used hereinafter within this policy:

- 'Academy Trust' refers to the holding body of the Academy namely, Blue Coat Church of England Academy Ltd, registered company number 7594562.
- 'Blue Coat School' refers to the physical entity of Blue Coat Church of England School and Music College.
- Any reference to either 'the school' or 'the Academy' contained within this policy is taken to refer to the appropriate given body within context
- ABA – Anti Bullying Ambassadors.
- BEN – Bullying Ends Now.
- CHRIST Values – Care, Hard work, Respect, Integrity, Servanthood, Togetherness
- PSHE – Personal, Social, Health, Education.
- SLT – Senior Leadership Team.

The School is committed to 'valuing all God's children'. To promoting and achieving equality of opportunity for all students, parents, staff, governors, visitors and job applicants. This is reflected in the vision of the school which is 'Living life in all its fullness'. Our CHRIST values are central to this policy especially those of Care, Hard work, Respect, Integrity, Servanthood and Togetherness.

We promote values of respect and equality and work to ensure that difference and diversity is celebrated across the whole school community. We are committed to continuously improving our approach bullying behaviours to ensure Blue Coat BC continues to be a secure and happy environment free from threat, harassment, discrimination and any bullying behaviours.

We want to enable our students to become responsible citizens and to prepare them for life in the 21st Century. These values reflect those that will be expected of our students by society when they leave school and enter the world of work or further study. We are committed to improving our school's approach to tackling bullying by regularly monitoring, reviewing and assessing the impact of our preventative measures. This policy has been written using information from a range of organisations including the Anti-bullying Alliance and in conjunction with the Anti-bullying Ambassadors.

We believe that all members of the school community should be valued and treated with respect. The school is a place where every person has the right to be themselves. The School affirms the equal worth of every child and staff member and their contribution to the School and to the Community.

Bullying behaviours of any kind is unacceptable and will not be tolerated in our school or during off-site activities. At our school the safety, welfare and well-being of all students and staff is a key priority. We take all incidences of bullying seriously and it is our duty as a whole school community to take measures to prevent and tackle any bullying, harassment or discrimination.

All staff and students are trained to recognise and report incidents and follow BEN procedure to ensure bullying behaviours are dealt with effectively. Everyone who sees bullying behaviours is expected to report these behaviours, to 'see something, say something'. Students and parents should be assured that we do not tolerate bullying behaviours and they will be supported when reporting them.

As a community we will work together to support the target and the aggressor, to ensure the wellbeing of our young people by recognising that intellectual success is dependent on moral, psychological, emotional and physical health.

At Blue Coat School we see a difference between conflict and bullying. We define bullying as:

- Actions or words that are intentionally hurtful, repeated often over a period of time and difficult for victim to defend themselves against.
- In a bullying relationship one side has more power than the other sides. In conflict, both sides have equal power and could both help to put an end to it.

The Nature of Bullying Behaviours

"Bullying behaviour is the repeated, intentional, hurting of one person or a group of people, where there is an imbalance of power. It can happen face to face or online". We believe that abusive behaviours are just that, not "banter", "just having a laugh" or "part of growing up"

Anti-Bullying Alliance 2018

Bullying outside of school

Bullying is unacceptable and will not be tolerated, whether it takes place inside or outside of school. Bullying can take place on the way to and from school, before or after school hours, at the weekends or during the holidays, or in the wider community. The nature of cyber bullying in particular means that it can impact on students' well-being beyond the school day.

Staff, parents and carers, and students must be vigilant to bullying outside of school and report and respond according to their responsibilities as outlined in this policy.

Derogatory language

Derogatory or offensive language is not acceptable and will not be tolerated. It will be challenged by staff and recorded and monitored. If appropriate, sanctions will be applied in line with the school policy.

A prejudice-based incident is a one-off incident of unkind or hurtful behaviour that is motivated by a prejudice or negative attitudes, beliefs or views towards a protected characteristic or minority group. It can be targeted towards an individual or group of people and have a significant impact on those targeted. All prejudice-based incidents are taken seriously and recorded and monitored and sanctions applied in line with the school policy.

Conflict

In a conflict, both sides have equal power, but inappropriate and hurtful things may be said or done to each other. E.g. disagreements, arguments, confrontation, difference of opinion. For the purposes of data tracking, conflict falls outside the scope of this policy but is nonetheless dealt with seriously.

They should never be bystanders to incidents of bullying. If students witness bullying behaviours they should support the victim, encourage them to report the bullying and, if possible, accompany them to tell a trusted adult.

Parents

Parents and carers should look out for potential signs of bullying such as distress, lack of concentration, feigning illness or other unusual behaviour. Parents and carers should tell their child not to retaliate and support and encourage them to report the bullying behaviours. Parents and carers can report an incident of bullying behaviour by contacting the form tutor or Head of House/Assistant Head of House.

- To communicate the decision and plan to the child, parents and staff involved.
- To keep the Assistant Headteacher overseeing Crossroads informed on a weekly basis.

Role of Anti Bullying Ambassadors

- To refer using the BEN protocol should they witness or be told about an incident of potential bullying behaviour.

- To come alongside their peers, both those subject to bullying behaviours and the perpetrators, to promote the school values and to provide peer-led support.

 - Delivering training to students and staff e.g. as part of assemblies and staff training.
 - Creating promotional materials including materials to be used in tutor times.
