Introduction

At Blue Coat Church of England School, our vision is “Living life in all its fullness”. We exist to equip our students to ‘live life in all its fullness’ by providing excellent education, which is distinctively Christian and inclusive of all. At the heart of this education are the values of Care, Hard Work, Respect, Integrity and Servanthood, working Together for the good of all individuals, the school and wider communities.

Assessment of Policy’s Impact

The effectiveness of this policy and its impact will be assessed by the Senior Leadership Team who will monitor the outcomes and impact of this policy annually. The evidence base for assessment will be presented as agenda items at the Local Governor Committee meetings as required.

1. School Uniform Yr 7 – Yr 11

Blue Coat School expects high standards in dress and appearance. Our insistence on correct uniform is based on three reasons:

1. To present a smart appearance for the public identity of our students and enabling them to demonstrate a pride in their appearance and our school
2. To demonstrate that students are committed to our expectations of being ‘Ready, Respectful and Responsible’ in order to flourish at school
3. To keep alive the traditions of the distinctive Blue Coat School uniform

We are insistent that all rules about the uniform must be followed explicitly. Students are expected to maintain a clean, smart appearance at all times. All items are readily available from the recognised school outfitters. Please be aware that items purchased from outlets other than the recognised school outfitters may be deemed as non-compliant and need to be replaced.

These are three official school outfitters. To ensure compliance, items of schoolwear, especially skirts, trousers, blazers and PE kit, should be purchased from one or some of the following suppliers.

1. Cat Ballou Originals Ltd 1-3 The Burges, Coventry, CV1 1HN 024 76555499
www.catballou.co.uk
2. Coventry Schoolwear 88-90 Barkers Butts Lane, Coundon Coventry CV6 1DY 024 76598080 Coventry Schoolwear

Our school will embed the Halo Code within any existing uniform policy and include it in future student handbooks. The Halo Code explicitly protects students and staff who come to school with natural hair and protective hairstyles associated with their racial, ethnic, and cultural identities.

Parents/carers will be contacted where students arrive at school in the incorrect uniform and a request will be made for missing items of uniform to be brought in. In this instance, students will have lessons supervised in an alternative location within the school. Any student who refuses to wear the correct uniform will be issued with sanctions in line with our Behaviour Policy.

Uniform Swap-Shop

We have an on-site uniform swap-shop, supported by the charity Coventry Clothing, which is available to all students regardless of need. The uniform swap-shop is available for students who for an unforeseeable reason, do not have the full uniform. It can be accessed via tutors through the house team. Students do not need to purchase uniform but instead swap an item of value in return for the uniform required. There is no barrier to wearing the Blue Coat uniform and disadvantaged students and their families are supported financially as required. Any family requiring support should seek this through their tutor in the first instance. The uniform swap-shop is not available to students who have chosen to come to school in incorrect uniform.

Children's Boot Fund

This a registered charity which will provide grants for the purchase of shoes in cases of difficulty. Application forms are available from the school.
