

## Year 12 A level Economics UCAS Mock Reading List

The main text book covers the entire 2 year course and is a useful guide for all the topics we will be covering. However, it is not COMPULSARY to have a copy of this book.

OCR A Level Economics (4th edition) (Paperback)

Publisher: Hodder Education

ISBN: 9781510458406

Number of pages: 568

The following two magazines are published 4 times per year on a subscription basis. You can also order back copies. These are specifically written for A-Level Economics students and carry some really relevant real life examples of economics in action, together with exam techniques etc. Again, not compulsory, but a worthwhile addition to your learning.

- Economics Today (Published by Anforme) – 4 copies per year on a subscription basis
- Economics Review (Published by Hodder Education) – 4 copies per year on a subscription basis

Several websites are worth a look to help you get your head around the topics within economics, and many will prove valuable throughout the course.
